Please advise [ ] in strictest confidence that through motives not exactly impersonal my sympathies were all with the navy in their recent airforce debate.

STAT

Basis for such a sentiment is a story that goes back to Shanghai and January of 1946. Villain in the piece is [ ] Cast in the role of Uriah (I believe that is how the name of the biblical charactor was spelled) was your servant.

It is a story that should please the navy, no-end. When Time has softened it a bit for the author he will manage somehow to get it in print.

Sincerely,
